*"One's dignity may be assaulted, vandalized and cruelly mocked, but it can never be taken away unless it is surrendered."*

*-Michael J. Fox*

Bullying is a growing problem in today's society. Bullying affects almost everyone, whether they are the victim or the cause. People, of all ages, are constantly battling being victims of bullies every day. People get bullied for various reasons including, how they look, how they talk, their background, and most of all, for being different. Just as Dr. Martin Luther King Jr. fought for equality of blacks and whites, we need to fight for equality of everyone. Everyone, no matter shape, size, color, gender, or anything else, are all and should be treated equal. No one deserves to be ashamed, hurt, or bullied. If just one person stood up against bullying, they would start a chain reaction and the outcome would be unthinkable. If we all work together and stand up against this cause, we can get rid of bullying once and for all.
