

Gabby Hougan (6th Grade)
Springboro Intermediate School
Kyle Martin, Principal
Deb Covey, Teacher

Bullying is not just in our schools, but in all schools. You just don't hear about it. It doesn't have to happen at school, it can be from a classmate to another classmate on social networks. Bullying is a horrible thing to do and to be done to. When you witness bullying, I hope you will help that person out by taking a stand.
